

FAIRGAZE
UNLOCKING POTENTIAL

BRING OUT
THE BEST
IN EVERY CHILD

FairGaze is an innovative socio-educational ecosystem that allows students to discover career path, find expert guidance, mentoring, access to relevant information and enable networking with like-minded groups.

An extensive research-driven initiative by accomplished educationists, child psychologists, careerists, counsellors, parents and students, FairGaze provides mentor-driven talent grooming and career discovery ecosystem.

LARGEST SCHOOL EDUCATION MEDIA

AWARENESS AND KNOWLEDGE BUILDING

FairGaze is the largest School Media with relevant news, events and information along with student and school generated content. FairGaze encourages contribution of news and articles from students which introduces journalistic skills of writing and editing to the students. In addition, FairGaze inculcates strong sense of awareness among students and the ability to search and explore the universe of knowledge through the medium of news, researches, events, expert interviews, etc.

LARGEST MENTOR-DRIVEN PROGRAMS

FOCUSED HOLISTIC DEVELOPMENT

FairGaze nurtures students through continuous mentoring to facilitate talent grooming and career discovery. Future Bright Programs help students to discover aptitudes, attitudes, personality and learning styles through interactive engagement by professionals.

Future Bright Programs also introduces diverse talents and skills to expand horizon of the students which instills stronger connect and involvement with society.

LARGEST SCHOOL COMMUNITY

CONTINUOUS MENTORING

The FairGaze K-12 community helps students with direct access to exclusive mentoring and peer network. The community also helps to highlight the achievements of students beyond the confines of the school environment. And most important, the interactive, safe & secure platform facilitates real-time networking of students with mentors and coaches.

SCHOOL MEMBERSHIP PROGRAM

Program enables school-wide engagements, trainings, talent grooming, recognition of achievements and deeper engagements between students, faculty and mentors. It also enables school to showcase the achievements to parents and stakeholders across the education community.

BENEFITS OF ASSOCIATION

BENEFITS TO SCHOOLS

- Newsletter customized for the school.
- Choice of world-class mentor-driven programs.
- Connect with education luminaries from India and abroad.
- Foster deeper interaction between faculty, students and parents.
- Coverage in FairGaze media network, promote school brand.

BENEFITS TO STUDENTS AND PARENTS

- Journalistic skill training, publish students' contributions.
- Information pertaining to school, careers, education in general.
- Direct access to mentors and mentor-driven programs.
- Achievements showcased beyond school to entire K-12 fraternity.

WEBINARS / COFFEE WITH COUNSELLOR

Focused on enabling and capacity building of the school community, these webinars engages young minds, parents, and teachers to learn, skill, and enhance their awareness in an interactive and fun way.

To promote holistic development, 21st century skills training and wellbeing of school students, FairGaze has been conducting webinars by accomplished mentors and professional experts on four key aspects:

1. **Future Lifeskills** - to learn new life skills to face the future responsibly with confidence.
2. **Creative Thinking** - to enhance creative and innovative aptitude and amplify your imagination, creativity and innovation skills.
3. **Wellbeing** - to better understand mental, emotional and physical health and wellness which is important for overall health and fitness.
4. **Coffee with Counsellors** - engage with counsellors on anxiety, mood swings, loneliness, depression and stress management.

Many premier schools regularly participate in these programs as co-hosts for the benefit of their students, parents and teachers, not only fostering deeper engagement but also enhancing the goodwill of the school. Participation to most of these are free to member schools or for a very nominal fee for students from non-member schools.

In addition, students will also be able to participate in national-level contests, competitions, MUNs (Model United Nations), debates, etc. These include:

1. **India As I See** - from mid-June to August in celebration of Independence Day.
2. **GlenGaze MUN** - monthly MUNs co-hosted with member schools to promote debating skills and awareness on global level.
3. **Dazzling Talents** - from mid-December to May to encourage and showcase talents among school students.
4. **Student Journalists** - to promote journalistic skills of writing, editing, research and investigation.

FAIR TALKS

FairGaze engages with the school community on multiple levels. To foster excellence in school community, FairGaze conducts research on critical issues affecting school ecosystem and analyses the outcomes with eminent panellists in 'FAIR TALKS'. FairGaze is also a reference source for studies on school community for the mainline media with many like Business World, India Today, Indian Express, etc. using FairGaze content in their reports.

FairGaze also contributes to school community development through various CSR initiatives and has also supported the development of DGNCC Training App for the training, skill building and career development of NCC cadets.
